HISTORIC AMERICAN ENGINEERING RECORD

NY-93

SANDS POINT LIGHTHOUSE

HAER  
NY,  
30-HEMPN,  
2-

Date: 1806-1809

Location: Sands Point, North Hempstead, Nassau County, New York.

Owner: Originally; State of New York  
Presently; S.H. Bayles (1974)

Significance: The lighthouse at Sands Point is a representative example masonry lighthouse construction in the early 19th century. It is also an example of the many lighthouses that have aided navigation in and around Long Island Sound.

Transmitted by: Dan Clement, 1983.
